**OSTT SUKKAH CONSTRUCTION** - Sunday, September 17th.

Time: After morning services and Talmud study - 10:00am

Place: Behind the JFC

Please contact Refael Levene at [RALevene@gmail.com](mailto:RALevene@gmail.com) or by phone/text at [443-812-5424](tel:443-812-5424) to volunteer your labor and/or equipment. If your time is limited, please volunteer for a two-hour shift.

Equipment needs include:

- Truck or Minivan to haul the sukkah components from the big white shed to behind the JFC
  - Sturdy 5-foot or 6-foot step-ladders
  - Heavy-duty cordless drills/drivers
- Hedge trimming equipment to prune any overhanging foliage
  - Safety equipment: goggles, gloves and hard-hats

The construction team should wear long sleeves, long pants, sturdy shoes and must wear hard hats, gloves and eye protection. We will be hauling and fitting large, heavy boards to assemble our 48 x 12 x 8 foot sukkah.

My "Harry and Fannie Levene Memorial Safety Equipment Gemach" has sets of gloves, goggles and hard hats for use with OSTT sukkah construction and can be lent out for construction of your own sukkos.
